

TACT Patient Ambassador Program Directions and Ordering T-shirts

If your site has Sterling IRB you are ready to begin asking your patients to join TACT Ambassador program!

If your site has a local IRB you must submit the attached patient letter, card and T-shirt design to your IRB for approval. Once you receive approval forward all the approval documents to Tristan Edwards at tedwards@msmc.com or FAX at 305-674-3970. You CANNOT order t-shirts without proper IRB approvals.

1. Ask TACT patients if they are interested in participating in becoming a TACT Ambassador.
2. Give your patient the invitation letter for their review.
3. Once the patient accepts becoming an ambassador ask for his/her T-shirt size.
4. Complete the enclosed order form providing patient randomization number and send to Stephanie Escalante at secalan@msmc.com or FAX to 305-674-3970.
5. You will receive the patient's T-shirt and a pocket card the patient can carry in their wallet.
